

EC Certificate of Factory Production Control

Certificate No. 0086 - CPD - 592493

In compliance with Council Directive 89/106/EEC of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to construction products (the Construction Products Directive or CPD), as later amended, it has been stated that the construction product

Structural Products

Precast concrete product types:

Precast concrete products — Hollow core slabs

Declaration method(s) used:

Method 2, Declaration of geometry, material properties and product properties determined following the standard placed on the market by

Coltman Precast Concrete Limited

London Road, Canwell, Sutton Coldfield, B75 5SX, United Kingdom

and manufactured in the factory located at

London Road, Canwell, Sutton Coldfield. B75 5SX, United Kingdom

is submitted by the manufacturer to initial type testing of the products, a factory production control, and to the further testing of samples taken at the factory in accordance with a prescribed test plan, and that the notified body No. 0086, BSI, has performed the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of factory production control. This certificate attests that all provisions concerning the attestation of factory production control described in Annex ZA of the harmonised European Standard

EN 1168:2005 + A3:2011

were applied.

This certificate remains valid as long as the conditions laid down in the harmonised technical specification in reference or the manufacturing conditions in the factory or the factory production control itself are not modified significantly.

For and on behalf of BSI, a Notified Body for the above Directive, Notified Body Number 0086.

Gary Fenton, Global Assurance Director
