

Environmental Policy Statement

COLTMAN PRECAST CONCRETE LIMITED recognises that its activities, products and services have an impact on the Environment. In order that these impacts are kept to an acceptable level, COLTMAN PRECAST CONCRTEE LIMITED has implemented an Environmental Policy to act as the fundamental statement of intent.

Continually improve its environmental performance by limiting to the lowest practicable level, in line with its business objectives, the environmental impact of its activities, products or services.

Plan, organise and control all activities, products and services, including design that may have an environmental impact by the adherence to documented procedures, work instructions and other Management Systems e.g. ISO 9001:2015.

Comply with all relevant legislation that applies to its activities, products or services including Material Safety Data Sheets, COSHH and Health and Safety.

Identify and assess all significant environmental aspects that may arise as a direct consequence of its activities, products or services.

Set itself objectives and targets that form part of the Environmental Policy, the implementation of which will aid the reduction of environmental impacts.

Reduce the energy consumption, seek to use materials efficiently to minimise material waste and promote recycling at COLTMAN PRECAST CONCRETE LIMITED'S operation and to utilise environmental friendly products wherever possible.

Maintain registration to ISO 14001:2015.

Communicate this Policy to all employees and to external bodies or the public on request.

Ensure that at each level of the Company the necessary personnel, skill, expertise and knowledge are available to enable the requirements of this Policy to be carried out.

Provide suitable and sufficient information, instruction and training to all employees to enable them to perform their job functions in an environmentally aware manner and to achieve the stated environmental objectives and targets.

This Statement will be prominently displayed on all Notice Boards.
